

# AZIZULLAH

FRONTEND WEB DEVELOPER

## CONTACT

- 92-3347257178
- azizullahcodes@gmail.com
- Karachi

## SUMMARY

Self-motivated Front-end Web Developer with a solid foundation in HTML, CSS, JavaScript, Bootstrap, and React.js. I actively build projects to improve my skills and understand real-world development workflows. Seeking a junior/front-end role where I can contribute to UI development, learn best practices, and grow into a strong React developer.

## SKILLS

### PROFESSIONAL

- HTML
- CSS
- BootStrap
- JavaScript
- ReactJS

## WORKING EXPERIENCE

- **FRONTEND WEB DEVELOPER (SELF-DRIVEN PROJECTS)**  
Jan 2025-Present
  - Built multiple responsive websites using HTML, CSS, Bootstrap, focusing on clean layout and mobile-first design.
  - Created several JavaScript projects (like palindrome checker, counter, color-carousel, image slider etc) to practice DOM manipulation.
  - Worked with Git & GitHub (if you use them) to manage code and track project versions.
  - Continuously improved UI/UX based on feedback from friends, mentors, and online communities.

## EDUCATION

### BACHELOR OF ARTS

Allama Iqbal Open University Islamabad
